Snail Mail: the best way to communicate with your scout

Your scout likes to receive mail. Send mail to-
Scout's name, T930, Machque Campsite
Camp Arrowhead
4202 State Highway DD
Marshfield, MO 65706

Mail takes about 2-3 days to reach camp

Phone: the camp phone number is (417) 859-3793. This phone is for emergency use only. Have your scouts name and Troop # (930) available. The scoutmaster (Richard) can be reached at his cell number of 918-606-1035 or you can leave a message since sometimes cell service is not reliable at camp either. Please don't call just to talk with your scout if it is not an emergency. I'll check for messages once a day.
